

Progress report – ITN

1. General progress of the action

Please provide information on scientific progress and trainings occurred during the period covered by this report (including deliverables and milestones as described in the Grant Agreement).

Describe and justify any deviation to the original Work Plan in this section.

(Max 1 page)

2. Recruitment strategy

- Organization of recruitment process (advertisement for open positions, central selection or by each beneficiary; number of applications, country distribution, gender etc.)
- Selected candidates (visa issued etc.)
- Any delays in recruitment, deviations from the original plan and corrective measures implemented.

3. Career development plan for each recruited researcher

Have supervision arrangement and career development plan been agreed for each recruited researcher? Please provide a short summary.

4. For EID and EJD

Describe and justify any deviations from enrolment of the fellow in a Phd Programme.

Please confirm that all administrative arrangements towards the industrial doctorate or the agreement to establish a joint/double/multiple doctoral degree have been finalized among the institutions involved.

5. Management of the action

Please report on management, kick-off and management meetings, involvement of researchers etc.

Please also report on risks (already identified in the GA or new ones), ethics issues (if applicable) etc.

Would you please also report on any difficulties, issues concerning the implementation of the Workplan due to specific rules related to the beneficiary's administration/ country legislation.

6. Communication Activities

Please provide information on dissemination and public engagement activities if any has been organised so far.

7. Impact of the Action

Please describe the impact of the action on the recruited researchers and on the institutions involved or on the completion of the European Research Area.
