Airport-Budapest

Overview on transportation from and to the airport here: <https://www.bud.hu/en/passengers/transport>.

Taxi services:

Fotaxi is the official taxi service of Budapest airport. Their booths are located at the exits from terminals 2A and 2B. All cars have POS devices which means that they accept credit cards.

You can also consider to take a Bolt ride (check Bolt app) and share the ride with other colleagues.

Public transportation – bus:

There are 2 lines connecting the airport and the center of Budapest: 100E and 200E. There are also night buses which you can combine in order to get to the city center.

100E – a direct bus line connecting the airport from the Terminal 2 and Deak Ferenc Square in the city center. The bus operates in both directions every 20 minutes from 05:00 to 01:20 (from the airport) and 03:40 to 00:40 (from the center). The ticket costs 900 HUF (2.70 euro) and the journey lasts around 45 minutes.

Transportation in Budapest

If you would like to travel by public transport, please always keep in mind that you need to have a valid ticket or season ticket with you. Tickets are available all around the city at metro stations, tram stations, or street kiosks. Also, you can buy tickets on your phone by downloading the [Mobiljegy app](#). You can use the same type of ticket for all forms of public transport, but you need to validate a new ticket for each journey. Additionally, single tickets are available from the driver on board the bus with an extra charge of fee.

Keep in mind:

- Plan your trip with Budapest GO or download the application [Budapest GO](#)
- Public transport data are integrated into [Google Maps](#), where you can plan your routes in the city.
- Metro services run from 4:30 until 23:30.
